

Sewickley Academy Letter of Bequest Intention

Bequests by generous donors and friends have been a major source of gift income for Sewickley Academy throughout its history. While much of Sewickley Academy's attention is focused on current issues and needs, the availability of future support from donors and friends assures that the core mission of Sewickley Academy will continue to be conducted at the highest level possible.

Therefore, in recognition of my strong belief and confidence in Sewickley Academy and its mission, I have made a gift by will to Sewickley Academy. If I make any change to this provision or if the value of the bequest or gift changes substantially, I will notify Sewickley Academy of such change. I understand that all information listed below will be kept in confidence unless I authorize its release.
